Located just twenty miles north of downtown Dallas, Legacy Village offers a superb North Dallas location. Directly east of the North Dallas Tollway, Legacy Village is located within the Shops of Legacy and Legacy Business Park.

Urban living means you're at the center. The beat of the city surrounds you. You're in the know, everything is close at hand. There is a sense of a place and feeling of purpose. You can walk, skate, or bike and find everything you need. No need to travel. No fighting crowds or traffic.

You can start each day with a leisurely European coffee and croissant. Work is just around the corner. A great park and lake is a centerpiece for leisure time. Have a drink with friends at one spot, walk down the street for dinner and just across the way is a great place for dessert. What flavor are you seeking? Is it seafood or hamburgers? Spicy or down home? Chinese, Thai, Indian or French Bistro? It's at your doorstep. Need a workout? A lavish Fitness Center offers every amenity. Walk to a new Angelika Movie Theater, or take in a hockey or baseball game at nearby facilities. It's not an impossible dream ... it's Legacy Village .
